No one is safe from ticket scams

Hi Shantanu

When it comes to buying tickets, especially for those highly-anticipated concerts, festivals or events, it's important to stay alert.

Criminals will take advantage of how badly you want those tickets and how hard they are to find. Trust your gut. If a deal seems too good to be true, it probably is. Scammers often prey on our emotions during high-demand events.

Keep a cool head when buying your tickets this summer by using our simple tips to help keep you protected.

Choose reputable platforms. Stick to authorised and well-known ticket-selling platforms. These are your safest bet for genuine tickets.

Check for red flags. Read reviews and thoroughly research the seller. If something doesn't seem right, stop.

Assess the risk. Consider whether you're willing to take the risk. If the deal seems too good to be true, it probably is.

Follow platform guidelines. If you're using a common online selling site, follow their specific advice. Stick to their recommended payment channels to avoid potential scams. For more information, visit our website. You can also visit Take Five, a national campaign offering impartial, straightforward advice.

Your security is our priority

So you know that an email is genuinely from us, we'll:

Address it to you personally.

Include the last 4 digits of your account or card number, or the last 3 characters of your postcode.

Never ask you to log on to Online or Mobile Banking through a link.

Never ask for your personal information, such as passwords or security details.

If you get an email that's suspicious or doesn't follow the rules above then please forward it to [phishing@santander.co.uk](mailto:phishing@santander.co.uk)

Protect yourself against fraud and scams

Never share a Santander One Time Passcode (OTP) with another person. Not even a Santander employee.

Never move your money to a new account for security reasons. If you're asked to do this, it will be a scam.

Never take things at face value. Criminals pretend to be people you trust. Always make sure you really know who you're talking to.

Our Fraud and security page has more information on how you can protect yourself and your money.

#### **CLARIFICATION OF DUE JUDICIAL PROCESS**

The injustices within which I have battled seems to have run into a brick wall of silence. If the Supreme Court will not acknowledge receipt of my submissions, that very fact needs to be appealed to the Judicial Committee of the Privy Council - refer to:

[https://archive.org/details/appeal-process-begins-digital\\_20250622](https://archive.org/details/appeal-process-begins-digital_20250622)

The State's due process within the structure of the Justice System must be continuous or criminals will step in to persecute as has happened below today.

A transcript of a video update is a written version of everything said in the video. It helps viewers read along, understand the message better, and makes the content accessible for people with hearing difficulties. Transcripts are also useful for search engines and easier content sharing.

Many people use tools like youtube to mp3 and mp3 youtube to download the audio from video updates. This lets them listen offline later, especially when they don't have time to watch the full video.

## MAKING IT UP AS ONE GOES ALONG

[Edited: 15.31 pm (UK-Time), 14 June 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years in particular but which derives from my Hindu upbringing in India. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 430 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality' available here (<https://www.theallurementofrealityinreview.com/shop>). But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Maha-Samadhi. I wish to make it clear at this point in time. For me Samadhi seemingly started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of Self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

Maha Samadhi is total Realisation when one does stop one's karma in sanatan dharma and lives in Yoga-ananda, the yogadaan emanating from one's dedication to the comprehensive approach to yoga. It is the state of Living freely in total Realisation and Control so that one is making decisive acts instantly with spontaneity, nonchalance and unpremeditation without any thought of moving along a certain truth path. So there are no tactics, such is the state of Realisation as automaticity existence.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.

I am in Maha-Samadhi now.

Dear Financial Ombudsman

Thank you for your email, although it is not clear which of the 6 Banks has now been allocated this Case Number. The original ones are listed here:

<https://www.knowledgeassessmentanddissemination.com/post/press-release-concerning-the-financial-ombudsman-service>

As I had said earlier on all the 6 Banks should be treated as one perpetrator of terrorism on me and this is not all, the full details that need consideration by the Ombudsman are given in the attached: ToStripeSupport(FullWhacking)29Jun2025.docx.

Please clarify how you wish to proceed with the full investigation.

Dear Stripe

Do you really wish to go down this avenue of the complaint because my contention to the Courts has been that you were included as a co-conspirator with State authorities, including Courts to defraud me of £1.1 billion in damages and compensation for the 27 years of terroristic harassment that deprived me of a livelihood in the United Kingdom and tortured me with criminal anonymous emails from the Security Services and sent me to mental hospital on two occasions for no reason whatsoever, got me arrested for finally being able to establish my great Company, 'The Conservative Libertarian Publications Limited' and or employing the services of HMRC, Companies House, Stripe Bank amongst others to sabotage the Company and in the process pervert the course of justice against me with religious persecution being part of the rationale behind the systematic coordination of terrorism?

If Stripe does wish to discuss these matters, see Particulars of Damages and Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi v Kent Police24June2025.pdf, I will refer you to the 432 eBooks containing the evidence of this brutal attack on me by the State of the United Kingdom stored at: <https://theallurementofrealityinreview.com/shop>  
I do not expect to receive even a penny of the damages and compensation let alone the apology that I demanded from King Charles for subjecting me to this persecution.

Yours sincerely

Good morning Stripe

I took the liberty to check the verification status and there does not appear to be any longer a Dispute between Stripe Bank and The Conservative Libertarian Publications Limited as attached: VERIFICATION OF THE CONSERVATIVE LIBERTARIAN PUBLICATIONS LIMITED AT STRIPE 29JUNE2025.docx; FrFinancialOmbudsman(Your complaint (Our refPNX-5399228-L4Z3)26Jun2025.docx.

 Subject: Re: Your recent question for Stripe about Disputes

Good morning Stripe

It is my experience of the structure of law and order in the United Kingdom during my stay here of 52 years here that the malaise displays a truly reprehensible way for criminals to avoid justice

such that the moral fibre of the nation is being called into question right now as I write:  
<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/are-we-seeing-the-total-collapse-of-the-civilisation-of-the-united-kingdom>

We need to work harder to rectify what has gone wrong, and I am available to play a small part in ameliorating the situation with Stripe's support.

That is the broad contextual question that you have asked for.

I have a plan to bring it all together within the sphere of 'The Conservative Libertarian Society' through the political actions of moral politics that people have most definitely lost trust in as a concept. There is a good way of living and there is a bad way of living, there is also an indifferent way of living in the spectrum between good and evil. People search for political parties in Westminster and in the Councils to their personal tastes, but no one is satisfied so that within a few years democracy brings in a new form of government that uproots all that the predecessor government tried to achieve. There is consequently no continuity and no one knows whether one is coming or going. It takes a considerable amount of toing and froing in the Judicial system before one can be certain that one is carrying out ones work in a lawful manner. This wastes a lot of time and effort of countless people as you would have noted from my own involvements over the past 27 years.

Continuity in government of the nation is of utmost importance and political leaders need to work to a set Constitution for the nation. This means we need a 'Written Constitution' that not only enables lawmakers to draft laws that are in the national interest, but also enables the Police, Judges and Juries to make sound judicial and law enforcement decisions in Society.

My political Party, the Conservative Libertarian Party of the United Kingdom (TCLP-UK) is working to make this come to be, having started a Petition in the House of Commons Petitions Committee which was watered down so did not make any headway towards a Written Constitution: by copy of this email I am requesting the PAPAC and Petitions Committee to review the process so that the Original petition is reinstated afresh.

I trust this is contextual background to the Dispute between Stripe and The Conservative Libertarian Publications Limited is helpful.

Yours sincerely

Dear Stripe

1. My concern was that I had not been given an adequate opportunity to state my Case in respect of my search for the appropriate level of Judicial oversight of my Company and mine involvements as Director of The Conservative Libertarian Publications Limited as linked here: <https://www.knowledgeassessmentanddissemination.com/post/j00me572-summary-judgment-or-hearing-immediately-required> so I am unable to address a Daily Bulletin notification that came to me, as follows:

from: Daily Bulletin <notifications@forums.wix.com>  
 reply-to: Daily Bulletin <notifications@forums.wix.com>  
 to: Shantanu Panigrahi <shanpanigrahi3000@gmail.com>

 subject: Notification from Daily Bulletin  
 mailed-by: sg.forums.wix.com

: Important mainly because it was sent directly to you.

2. The poster by the name of Joseph Whitaker had inserted the following comments into the website without confirmation of whether he has paid the £7 annual subscription for posting privileges as publicised here:

<https://www.theconservativelibertariansociety.com/forum/questions-answers/subscription-fees-for-posting-in-the-websites-of-tclp-limited>, quite apart from the fact that the context within which he inserted the comment is under dispute.

3. So I rapidly checked the verification status of the Conservative Libertarian Publications Limited at Stripe Bank, and found that it displayed the business as usual modus operandi of the Company.

4. Notwithstanding, I thought of waiting for the Courts to give me the go-ahead to moderate and remind Mr Joseph Whitaker that he must pay the subscription Fee. His post is as linked here: but the Courts have not contacted me: they never do from my experience, so I only have Stripe and the Financial Ombudsman to consult on what work in this regard is lawfully possible for a citizen to undertake in the United Kingdom.

<https://www.knowledgeassessmentanddissemination.com/forum/main/comment/11b4091e-d661-491c-b9a0-d82ff90e06d1?postId=616e84d6fe709f00165c2ac8>

5. If there is any reason why I should not authorise the publication of the article-comment and continue with the work of The Conservative Libertarian Publications Limited in this way, please let me know at your earliest convenience.

6. Another aspect of the work of the Company is to try and get the political party TCLP-UK registered at the Election Commission as invited:

FrPartyRegElectoralCommissioner)18Jun2025.docx. The means to canvas possible candidates has been to introduce this document with the PS. If anyone in your network is interested would you let me have their email addresses so that I can send them the literature for appointing them as the required officials for the TCLP-UK to get itself registered as a political party with the Electoral Commission?

I have been informed that the two Membership Accounts that the Conservative Libertarian Publications Limited holds at Stripe Bank (Payments) Limited, that is the JOIN IT and BRILLIANT DIRECTORIES ones are being kept on 'hold' until I reply to the last email that Stripe has sent me. But I am unable to locate that particular email so do not know what the problem is; The information on this Contact Support site tells me that right now the Conservative Libertarian Publications Limited is verified by Stripe Bank. If on the other hand this verification is withdrawn or there are other questions that Stripe needs answers to please let me know what they are. Until this matter is resolved it is an issue in Dispute between the Company and Stripe Bank.

Dear all

Further to my email on Monday June 30 19.38 pm, I should this morning reiterate that what I am trying to achieve with the proceedings is a revamp of the Judicial and Democratic processes and procedures in the United Kingdom for reasons that should be self-explanatory from the attached eBook review: RESUSCITATION OF UNITED KINGDOM-digital.pdf.

The court proceedings are over as far as I as the Claimant/Appellant is concerned. We need to move on so long as my two Membership websites at JOIN IT and BRILLIANT DIRECTORIES remain for the use of my Company, 'The Conservative Libertarian Publications Limited and its political offshoot, The Conservative Libertarian Party of the United Kingdom (TCLP-UK); and let me make it perfectly clear that much as I would like to make progress towards making the United Kingdom a great nation, the progression of these two websites is crucial to that end so I will return to the due process of the law if they are terminated through the back door as part of the process of sabotaging the Company that has been going on for several years now.

I will resume my search for two additional officials for completion of the registration of TCLP-UK immediately.

I look forward to your replies this morning.

Yours sincerely

Dear all Further to my email on Monday June 30 19.38 pm, I should this morning reiterate that what I am trying to achieve with the proceedings is a revamp of the Judicial and Democratic processes and procedures in the United Kingdom for reasons that should be self-explanatory from the attached eBook review: RESUSCITATION OF UNITED KINGDOM-digital.pdf. The court proceedings are over as far as I as the Claimant/Appellant is concerned. We need to move on so long as my two Membership websites at JOIN IT and BRILLIANT DIRECTORIES remain for the use of my Compan, 'The Conservative Libertarian Publications Limited and its political offshoot, The Conservative Libertarian Party of the United Kingdom (TCLP-UK); and let me make it perfectly clear that much as I would like to make progress towards making the United KIngdom a great nation, the progression of these two websites is crucial to that end so will return to the due process of the law if they are terminated through the back door as part of the process of sabotaging the Company that has been going on for several years now. I will resume my search for two additional officials for completion of the registration of TCLP-UK immediately. I look forward to your replies this morning. Hello Ainsley, Thanks for connecting:

For your formal interest and information I am into politics in a very serious way through the Conservative Libertarian Party of the United Kingdom (TCLP-UK).

TCLP-UK's Constitution promises moral politics within a cultural republicanism for which our Membership website for those interested in registering in is at:

<https://app.joinit.com/o/conservative-libertarians/>

The following Directory enables the interest in our forging of relationships internationally:

<https://knowledgefoundersunited.com/>

Have I lost leave of my senses, you may ask. Nothing ventured, nothing gained is my motto. I have come this far, only one further step to go and this is where you come in to assist the process, by becoming the Party official in the TCLP-UK registration Form. Believe me the United Kingdom needs help which only we can give.

Let me know if you need any explanation of how and why I consider it the way for the country and by extension for the world to go.

Have I lost leave of my senses, you may ask. Nothing ventured, nothing gained is my motto. I have come this far, only one further step to go; and this is where you come in to assist the process by becoming the Party official in the TCLP-UK registration Form.

Believe me the United Kingdom needs help which only we can give.

Let me know if you need any explanation of how and why I consider it the way for the country and by extension for the world to go.

Dear all Further to my email on Monday June 30 19.38 pm, I should this morning reiterate that what I am trying to achieve with the proceedings is a revamp of the Judicial and Democratic processes and procedures in the United Kingdom for reasons that should be self-explanatory from the attached eBook review: RESUSCITATION OF UNITED KINGDOM-digital.pdf. The court proceedings are over as far as I as the Claimant/Appellant is concerned. We need to move on so long as my two Membership websites at JOIN IT and BRILLIANT DIRECTORIES remain for the use

of my Compan, 'The Conservative Libertarian Publications Limited and its political offshoot, The Conservative Libertarian Party of the United Kingdom (TCLP-UK); and let me make it perfectly clear that much as I would like to make progress towards making the United KIngdom a great nation, the progression of these two websites is crucial to that end so will return to the due process of the law if they are terminated through the back door as part of the process of sabotaging the Company that has been going on for several years now. I will resume my search for two additional officials for completion of the registration of TCLP-UK immediately. I look forward to your replies this morning. Dear Rehman

With the benefit of hindsight and since I am a bonafide member of the Conservative and Unionist Party as attached: ConservativeMembershipCertificate.pdf, I will agree with your assessment on a personal note. I found that within the current system it is still possible for a libertarian and a Conservative Libertarian at that to survive in the United Kingdom, but it took me the best part of 25 years to finally establish my credentials, as you will read from the attached: ToForzKhanccCentLonCtyCrtKentPolice5Mar2023.docx.

I look forward to assisting you at Gillingham and Rainham Constituency at the coming general election for we must keep the Labour Party out of power.

Here is to the great British unwritten Constitution with its extensive checks and balances that provides the scope for an individual to demonstrate and exploit his or her entrepreneurship.

Yours sincerely

Dear Dr Panigrahi

Thank you for your email regarding the British Constitution.

I appreciate your support for a written constitution similar to those of some other countries but I believe that our current system serves the UK well.

I therefore do not support making such changes.

Yours sincerely

Hello Safina

Unfortunately, I had gone to the gym for a workout so could not answer you straightway.

MY FULL NAME IS DR SHANTANU PANIGRAHI

MY COMPANY NAME IS THE CONSERVATIVE LIBERTARIAN PUBLICATIONS LIMITED

I was expecting an email from Medway County Court in reply to my queries but it has not arrived yet; perhaps it is going to take the Court authorities some considerable time to assess the proposal to Resuscitate the United Kingdom.

On the other hand, I was greeted by a parasitic comment in our website:

Dear Financial Ombudsman

Is the attached correspondence from Tide Bank legally appropriate, especially as it is copied to Medway County Court that indicates conspiracy with Court Officials and Tide Bank?

Dear all Further to my email on Monday June 30 19.38 pm, I should this morning reiterate that what I am trying to achieve with the proceedings is a revamp of the Judicial and Democratic processes and procedures in the United Kingdom for reasons that should be self-explanatory from the attached eBook review: RESUSCITATION OF UNITED KINGDOM-digital.pdf. The court proceedings are over as far as I as the Claimant/Appellant is concerned. We need to move on so long as my two Membership websites at JOIN IT and BRILLIANT DIRECTORIES remain for the use of my Compan, 'The Conservative Libertarian Publications Limited and its political offshoot, The Conservative Libertarian Party of the United Kingdom (TCLP-UK); and let me make it perfectly clear that much as I would like to make progress towards making the United KIngdom a great nation, the progression of these two websites is crucial to that end so will return to the due process of the law if they are terminated through the back door as part of the process of sabotaging the Company that has been going on for several years now. I will resume my search for two additional officials for completion of the registration of TCLP-UK immediately. I look forward to your replies this morning. Hello Safina Unfortunately, I had gone to the gym for a workout so could not answer you straightway. MY FULL NAME IS DR SHANTANU PANIGRAHI MY COMPANY NAME IS THE CONSERVATIVE LIBERTARIAN PUBLICATIONS LIMITED I was expecting an email from Medway County Court in reply to my queries but it has not arrived yet; perhaps it is going to take the Court authorities some considerable time to assess the proposal to Resuscitate the United Kingdom.
